**2<sup>nd</sup> Call for Student Mobility on the framework of  
Blended Intensive Programme/BIP  
Academic years 2025-2026 (call 2024)**

**Title: Bringing educational research into the classroom: Models, resources  
and practical proposals**

Undergraduate and Postgraduate Students of the University of Crete (1<sup>st</sup> cycle of studies) are invited to apply for blended intensive program mobility under the Erasmus+ framework.

**In total: 10** eligible positions for students of the Department of Preschool Education of the University of Crete for the Erasmus+ Blended Intensive Program (BIP), which is organized during the spring semester of the academic year 2025–2026 by the University of Málaga, Faculty of Education, Spain (1<sup>st</sup> cycle of studies).

**Physical component:** 11-15 May 2026

**Online component:** 28 April 2026

**ECTS:** 3

**Organizer:** University of Málaga, Faculty of Education,

**Coordinator:** University of Málaga - Faculty of Education (Málaga), in collaboration with the University of Austria – Pädagogische Hochschule Freiburg (Austria), University of Crete – Department of Preschool Education (Greece).

The BIP entitled Bringing educational research into the classroom: Models, resources and practical proposals is part of the training in Methodology, Resources and Techniques in Educational Research as a practical training complement to

other formative programs offered by faculties of visiting students. Its objectives are as follows:

1. To strengthen the connection between current educational research and future teaching practice at university context through reflect and create a space for the exchange and codesign of innovative pedagogical proposals.
2. To identify, analyze and compare current models of training in educational research among students' participants, evaluating their strengths and weaknesses and identifying transferable good practices.
3. To promote digital teaching skills through the use of technological tools for research and educational practice (data analysis, multimedia resources, virtual classrooms, etc.)

The aim is to reflect, share and create a common theoretical and practical discourse about the scope and challenges of educational research as a basic subject in the future teachers' training, addressing topics close to the students' interests.

#### **Requirements/ Academic background/ Level of studies**

1. Undergraduate Students of the Department of Preschool Education (first cycle of studies)
2. Students of the Department of Preschool Education who have successfully completed the courses:
  - a) Methodology of Psychoeducational Research and

## PERSONAL DATA

With the submission of your application for participation in the Erasmus+ Programme, the minimum required personal data are collected and processed, in order to provide you with the opportunity for mobility, especially inside the EU countries, and to enable you to develop skills through the traineeship. That way the higher education institution fulfills its obligation entrusted to it in support of the public interest. The processing of personal data is furthermore necessary in order to take measures at your request prior to the signature of the contract for your participation in the Programme and subsequently for the performance any contract you may enter into.

All your personal data (in digital and/or physical form) will be retained in our records for a period of five (5) years, for the proper performance of the contract or for the purposes of any potential check. Access to these data may be provided to the Hellenic State Scholarships Foundation (IKY-National Agency), auditors of the European Commission, the Ministry of Education and Religious Affairs, the Hellenic Court of Audit, and the European anti-Fraud Office (OLAF).

In the event that, for any reason, you do not submit the final digital application for participation in the Programme, your personal data will be retained until the end of the current Erasmus+ Programme, for which you initially expressed interest.

You have the right to access your personal data, to request their deletion, where is permitted, to right of restriction of processing and where is applicable, the right of portability or the right to object to the processing of your personal data, according to the Regulations of the EU, 2016/679 and 2018/1725, as well as Law 4624/2019. For further information on the Privacy and Personal Data Protection Policy and the relevant data protection notice, you are encouraged to visit the following website: <https://www.tuc.gr/index.php?id=11004>

In case you have any further questions regarding your personal data and your rights, or If you believe that your personal data have been violated, you may contact the Daa Protection Office of the University of Crete or the Technical University of Crete in order to raise your concerns.

Bellow you may find the privacy notice regarding the processing of your personal data prior to their registration in the Erasmus+ mobility management digital systems: Privacy Notice | Erasmus+ and European Solidarity Corps programmes (Europa.eu).
