

July, 2020

Dear Partner,

We hope that you are all safe and well.

The University of Crete places great importance on the relations with our partners and sees mobility and internationalization as a valuable asset. We strive to find new paths despite of several restrictions due to this worldwide pandemic. For this reason, we are in continuous contact with our partners.

So far UoC winter semester is going to start in late September, as usual. The situation until then will be constantly evaluated, by the University Authorities. We hope that the presence and enrollment of Erasmus students in Crete will not be disrupted.

Travel and entry restrictions cannot be predicted at the moment but they may be in place in the future.

Please find below the guidelines provided by the Hellenic National Public Health Organization (HNPHO) regarding the novel coronavirus (2019-nCoV)
