

Dear colleague,

V.N. Karazin Kharkiv National University is one of the oldest universities in Eastern Europe and one of the leading Ukrainian universities in terms of international activity. Today the University has 21 schools and 128 departments providing training to specialists in 61 majors. Today the university ranks 382 according to QS World University Rankings and 800+ according to the Times Higher Education World University Ranking. More information can be found at www.univer.kharkov.ua/en.

In 2016 in our university was created Karazin Business School. The training of future experts is based on the educational program "Management" and "Entrepreneurship" under the European model of education (4 years of Bachelor degree and 1,5 years of Master degree) and is aimed at standards of international associations of business education. The primary target of Karazin Business School is to prepare future leaders for successful practice in various types of business, financial and banking sectors, international companies and government agencies. We provide different programs in Management, as Management in Medicine, Management in IT and others (Master degree). Also we provide different short-term courses and distance courses. More information can be found at <http://kbs.karazin.ua>

In this case we are very interested in the possibility of cooperation with your university, namely exchange of students and staff, creation of double degree program, participation in grants, internship of our students in your partner companies and especially in Erasmus + program and HORIZON 2020.

We hope that these opportunities will be interesting to you.

Sincerely
Yuliia Kvitka

Head of the International Department of Karazin Business School
