

Organization Name	Type	Country/City	Contact/Website	Requirements
<b>Max Kreutz Labs</b>	Research center of the University of Vienna that focuses on cutting-edge research in molecular and cell biology	Austria, Vienna	<a href="https://www.maxperutzlabs.ac.at/education/erasmus">https://www.maxperutzlabs.ac.at/education/erasmus</a>	Internship within the Erasmus+ framework;  Internship duration: 3-12 months;  Contact research group leader directly
<b>Institute of Science and Technology Austria</b>	Research institute focusing on mathematics, computer science, physics, biology, and data science	Austria, Vienna	<a href="https://www.ista.ac.at/en/education/internship-and-scholarship/">https://www.ista.ac.at/en/education/internship-and-scholarship/</a>	ISTA Summer Fellowships or Scientific Internships (Different requirements)
<b>Vienna Biocenter Summer School</b>	Life science research institute that brings together several leading research institute and biotech companies	Austria, Vienna	<a href="https://training.vbc.ac.at/summer-school/#c2104">https://training.vbc.ac.at/summer-school/#c2104</a>	Internship duration: 3 months;  Paid internship;  High level of English language
<b>Institute of Molecular Biotechnology</b>	Life science research institute focusing on molecular biology, stem cell research, developmental biology, genome engineering, and disease modeling	Austria, Vienna	<a href="https://www.oeaw.ac.at/imba/career-education/career-education#c161517">https://www.oeaw.ac.at/imba/career-education/career-education#c161517</a>	Enrollment in a masters programme is required
<b>Research institute of Molecular Pathology (IMP)</b>	Biomedical research institute that focuses on molecular biology, genetics structural biology, cell biology, neuroscience and cancer research	Austria, Vienna	<a href="https://www.imp.ac.at/career/master-internships">https://www.imp.ac.at/career/master-internships</a>	Enrollment in a masters programme is required;  Contact the relevant group leader and enquire about opportunities for your application
<b>CEITEC</b>	Research Center that brings together multiple institutes working in life sciences, biotechnology, biomedicine, and nanotechnology	Czech Republic, Brno	<a href="https://www.ceitec.eu/internships/t11183">https://www.ceitec.eu/internships/t11183</a>	Contact research group leader or facility head directly for internship applications;  Internship within the Erasmus+ framework
<b>Institut de la Mer de Villefranche (IMEV)</b>	Marine science institute that focuses on oceanography, marine biology, ecology, and plankton research	France, Villefranche-sur-Mer	<a href="https://www.imev-mer.fr/web/formation/">https://www.imev-mer.fr/web/formation/</a>	Different opportunities with different requirements
<b>Institut Curie</b>	Research center and hospital specialized in cancer research, molecular biology, cell biology, genetics and oncology	France,	<a href="https://institut-curie.org/internships-students-and-doctors">https://institut-curie.org/internships-students-and-doctors</a>	N/A
<b>National Research Institute for Agriculture, Food and Environment (INRAE)</b>	Research institute dedicated to agriculture, food systems, biodiversity, and environmental sciences	France (Various Locations)	<a href="https://jobs.inrae.fr/en/node/1572?inrae_prod_created_date_desc%5BrefinementList%5D%5Bfield_offer_agree">https://jobs.inrae.fr/en/node/1572?inrae_prod_created_date_desc%5BrefinementList%5D%5Bfield_offer_agree</a>	Different opportunities with different requirements

			<a href="#">ment%5D%5B0%5D= Internship</a>	
<b>European Forest Institute (EFI)</b>	Research organization focused on forests, biodiversity, climate change, and sustainable forest management	Finland, Joensuu	<a href="https://efi.int/">https://efi.int/</a>	Internship opportunities are added on the website or contact the relevant research group directly for internship applications;  Internship within the Erasmus+ framework
<b>Finnish Institute for Health and Welfare</b>	Research institute for public health, welfare, and infectious disease control	Finland, Helsinki	<a href="https://thl.fi/en/about-us/for-jobseekers">https://thl.fi/en/about-us/for-jobseekers</a>	Different opportunities with different requirements
<b>Ecologic Institute</b>	Research organization that focuses on environmental policy, sustainability, climate change, biodiversity, and resource management	Germany, Berlin	<a href="https://www.ecologic.eu/13665">https://www.ecologic.eu/13665</a>	Internship duration: at least five months;  Paid internship;  Proficiency in German and in English
<b>Max Planck Institut for Infection Biology (MPIIB)</b>	Research institute dedicated to understanding infectious diseases and host-pathogen interaction	Germany, Berlin	<a href="https://www.mpiib-berlin.mpg.de/1930739/internships">https://www.mpiib-berlin.mpg.de/1930739/internships</a>	Internship duration: between 1-3 months;  Contact the relevant research group at least 6 months in advance;  Accommodation may be available upon request, depending on availability
<b>KWS</b>	Plant bedding and seed company - Molecular Research Internship	Germany, Einbeck	<a href="https://www.kws.com/corp/en/careers/students/molecular-research-internship/">https://www.kws.com/corp/en/careers/students/molecular-research-internship/</a>	Internship duration: 3 months;  Paid internship
<b>Max Planck Institute of Molecular Cell Biology and Genetics (MPI-CBG)</b>	Research institute focused on understanding how cells form tissues, organs, and complex biological structures	Germany, Dresden	<a href="https://www.mpi-cbg.de/join-us/early-career-pathways">https://www.mpi-cbg.de/join-us/early-career-pathways</a>	Internship duration: up to three months;  Internship within the Erasmus+ framework
<b>Max Planck Institute of Biochemistry</b>	Research centers in molecular biology and biochemistry	Germany, Munich	<a href="https://www.biochem.mpg.de/pupils">https://www.biochem.mpg.de/pupils</a>	Contact research group directly for internship applications
<b>Max Planck Institute for Brain Research</b>	Neuroscience research institute that studies how neural circuits process information at the molecular, cellular, and network levels	Germany, Frankfurt am Main	<a href="https://brain.mpg.de/82277/undergraduates">https://brain.mpg.de/82277/undergraduates</a>	N/A
<b>Max Planck Institute for Marine Microbiology</b>	Research institute dedicated to studying microorganisms in marine environments and their roles in global biogeochemical cycles	Germany, Bremen	<a href="https://www.mpi-bremen.de/en/Trainees.html">https://www.mpi-bremen.de/en/Trainees.html</a>	N/A
<b>Max Planck Institute for Terrestrial Microbiology</b>	Research institute focused on understanding microorganisms in terrestrial	Germany, Marburg	<a href="https://www.mpi-marburg.mpg.de/1270138/internship">https://www.mpi-marburg.mpg.de/1270138/internship</a>	Contact the respective group leader directly for internship applications

	environments, including their physiology, metabolisms, and ecological roles			
<b>German Cancer Research Center</b>	Biomedical research institute dedicated to cancer research	Germany, Heidelberg	<a href="https://www.dkfz.de/en/career/vocational-training-studies-and-internships/internships/internships-before-and-during-your-studies">https://www.dkfz.de/en/career/vocational-training-studies-and-internships/internships/internships-before-and-during-your-studies</a>	Contact research group directly for internship applications
<b>Leibniz-Institut für Gewässerökologie und Binnenfischerei (IGB)</b>	Research institute dedicated to freshwater ecology, aquatic biodiversity, and inland fisheries	Germany, Berlin	<a href="https://www.igb-berlin.de/studium-praktikum-und-foej">https://www.igb-berlin.de/studium-praktikum-und-foej</a>	Internship duration: maximum of 4 weeks
<b>Alfred Wegener Institute (AWI)</b>	Research center for polar and marine sciences	Germany, Bremerhaven	<a href="https://www.awi.de/arbeiten-lernen/ausdem-studium/als-praktikant/in.html">https://www.awi.de/arbeiten-lernen/ausdem-studium/als-praktikant/in.html</a>	Contact research group directly for internship applications;  Paid internship
<b>Institute of Molecular Biology (IMB)</b>	Research Centre focused on gene regulation, epigenetic, genome stability, developmental biology, and ageing	Germany, Mainz	<a href="https://www.imb.de/students-postdocs/imb-internship-programme">https://www.imb.de/students-postdocs/imb-internship-programme</a>	Internship within the Erasmus+ framework;  Application needs to be submitted at least 4-5 months before the ideal start of the internship;  High level of spoken and written English
<b>Richter Biologics</b>	Company specializing in cell-based biological testing, assay development, and analytical services for the biopharmaceutical industry	Germany, Hamburg	<a href="https://www.richterbiologics.eu/training-and-internship-at-richter-biologics/">https://www.richterbiologics.eu/training-and-internship-at-richter-biologics/</a>	Internship duration: 4 weeks
<b>Dresden International Graduate School for Interdisciplinary Life Sciences (DIGS-ILS)</b>	Research training programme	Germany, Dresden	<a href="https://www.digs-ils.phd/join/internship-positions/general-information">https://www.digs-ils.phd/join/internship-positions/general-information</a>	Excellent English proficiency;  Internship duration: 3 months;  Paid internship;  Application deadline: 6 Feb 2026
<b>Forschungszentrum Jülich GmbH</b>	Interdisciplinary research centers	Germany, Jülich	<a href="https://www.fz-juelich.de/de/gp/fachbereiche/zentrale-berufsausbildung/praktikum">https://www.fz-juelich.de/de/gp/fachbereiche/zentrale-berufsausbildung/praktikum</a>	N/A
<b>Helmholtz Munich</b>	Summer Internship on Epigenetics Without Barriers	Germany, Neuherberg	<a href="https://www.helmholtz-munich.de/en/cross-disciplinary-initiatives/epigenetics/summer-internship">https://www.helmholtz-munich.de/en/cross-disciplinary-initiatives/epigenetics/summer-internship</a>	Applications open late 2026
<b>Fraunhofer-Gesellschaft</b>	Research organization, operating over 70 institutes across Germany that focuses on practical, industry-	Germany (Various Locations)	<a href="https://www.fraunhofer.de/en/jobs-and-career/students1.html">https://www.fraunhofer.de/en/jobs-and-career/students1.html</a>	N/A

	oriented science in fields such as biotechnology, environmental science, materials, engineering, and digital technologies			
<b>European Food Safety Authority (EFSA)</b>	EUs agency responsible for providing independent scientific advice on food-related risks	Italy, Parma	<a href="https://www.efsa.europa.eu/en/careers/starting-your-career-at-efsa">https://www.efsa.europa.eu/en/careers/starting-your-career-at-efsa</a>	Internship duration: 5-12 months;  Paid internship;  Good knowledge of English (B2)
<b>Consorzio RFX</b>	Research institute that focuses on geosciences	Italy, Padova	<a href="https://www.igi.cnr.it/formazione/erasmus-scuole-e-tirocini/">https://www.igi.cnr.it/formazione/erasmus-scuole-e-tirocini/</a>	Internship duration: maximum of 6 months;  Applications mostly for curricular internships of master students;  Internship within the Erasmus+ framework
<b>Maastricht Centre for System Biology and Bioinformatics</b>	Research center focused on computational biology, system biology, data-driven biomedical research and bioinformatics	Netherlands, Maastricht	<a href="https://www.maastrichtuniversity.nl/research/maastricht-centre-systems-biology-and-bioinformatics/thesis-student-projects">https://www.maastrichtuniversity.nl/research/maastricht-centre-systems-biology-and-bioinformatics/thesis-student-projects</a>	Different opportunities with different requirements
<b>International Institute of Molecular and Cell Biology (IIMCB)</b>	Research institute focusing on RNA and cell biology	Poland, Warsaw	<a href="https://www.iimcb.gov.pl/en/career-education/internships">https://www.iimcb.gov.pl/en/career-education/internships</a>	N/A
<b>Centre for Genomic Regulation (CRG)</b>	Biomedical research institute focused on genomics, system biology, bioinformatics, molecular biology, and biomedicine	Spain, Barcelona	<a href="https://www.crg.eu/en/content/training/undergraduates-and-masters">https://www.crg.eu/en/content/training/undergraduates-and-masters</a>	Contact research group leader or facility head directly for internship applications
<b>Centro de Biología Molecular Severo Ochoa (CBM)</b>	Research institute specializing in molecular biology, biochemistry, genomics, and biomedical research	Spain, Madrid	<a href="https://www.cbm.uam.es/index.php/careers-and-training/internships-and-fellowships/">https://www.cbm.uam.es/index.php/careers-and-training/internships-and-fellowships/</a>	Contact research group directly for internship applications
<b>Spanish National Cancer Research Center (CNIO)</b>	Biomedical research institute dedicated to cancer research	Spain, Madrid	<a href="https://www.cnio.es/en/education-and-career-development/career-development-programmes/undergraduate-students/">https://www.cnio.es/en/education-and-career-development/career-development-programmes/undergraduate-students/</a>	Summer training Programme (New call opens during the first call of 2026);  Ahmet at students in their last two years of degree;  Medium level of English;  Health and personal liability insurance valid in Spain during the stay is covered;

				Relevant research department must be contacted directly for internship applications
<b>Center for energy and Environmental Sciences (PSI)</b>	Research Center for natural and engineering sciences	Switzerland, Villigen	<a href="https://www.psi.ch/en/cee/semester-project-topics">https://www.psi.ch/en/cee/semester-project-topics</a>	N/A
<b>European Bioinformatics Institute (EMBL-EBI)</b>	Research center that provides and develops bioinformatics tools, databases and computational methods for chemistry-related research	United Kingdom, Cambridge	<a href="https://www.ebi.ac.uk/about/jobs/internships/">https://www.ebi.ac.uk/about/jobs/internships/</a>	Paid internship in some cases;  Contact research group directly
<b>European Molecular Biology Laboratory (EMBL)</b>	Research institute specializing in molecular and life-science research	Various Locations	<a href="https://www.embl.org/about/info/undergraduates/">https://www.embl.org/about/info/undergraduates/</a>	N/A
