

Organization Name	Type	County/City	Contact/Website	Requirements
<b>Imec</b>	Research institute in nano electronics, semiconductor technology, and digital innovation	Belgium, Leuven	<a href="https://www.imec-int.com/en/work-at-imec/master-thesis-internship">https://www.imec-int.com/en/work-at-imec/master-thesis-internship</a>	Applicant must be enrolled as a student for the full duration of the internship;  Internship duration: 3-18 months
<b>Institute of Physics (FZU)</b>	Research institute specializing in physics	Czech Republic, Prague	<a href="https://www.fzu.cz/en/about-fzu">https://www.fzu.cz/en/about-fzu</a>	Atudents can go through the organisational structure to see, if their interest can match with concrete work places in the institute. If they find the right match, they can contact the institute and they will help them to communicate with available supervisor and if intership and under which conditions could be possible
<b>Tartu Observatory</b>	Space center and research institute which focuses on astronomy, remote sensing, and space technology	Estonia, Toravere	<a href="https://kosmos.ut.ee/en/studies">https://kosmos.ut.ee/en/studies</a>	N/A
<b>VTT Technical Research Centre of Finland</b>	Research and technology organization that develops innovative solutions in fields such as energy, materials, digital technologies, sustainability and applied physics	Finland, Espoo	<a href="https://www.vttresearch.com/en/careers/looking-join-vtt-trainee-or-thesis-worker">https://www.vttresearch.com/en/careers/looking-join-vtt-trainee-or-thesis-worker</a>	Internship within the Erasmus-framework
<b>GANIL</b>	Nuclear- Physics facility that operates heavy-ion accelerators to study nuclear structure, reactions, and applications in materials and radiation sciences	France, Caen	<a href="https://www.ganil-spiral2.eu/jobs/internships/master-2-internships-research/">https://www.ganil-spiral2.eu/jobs/internships/master-2-internships-research/</a>	Different opportunities with different opportunities
<b>ITER Organization</b>	Research project	France, Saint-Paul-lez-Durance	<a href="https://www.iter.org/public/jobs/internships">https://www.iter.org/public/jobs/internships</a>	Fluency in English
<b>European Synchrotron Radiation Facility (ESRF)</b>	X-ray research center	France, Grenoble	<a href="https://www.esrf.fr/home/careers/traineeships-bis.html">https://www.esrf.fr/home/careers/traineeships-bis.html</a>	N/A
<b>Airbus Group</b>	Aerospace company that designs and manufactures aircrafts, satellites, and defense systems	France (Various Locations)	<a href="https://www.airbus.com/en/careers/students-and-graduates/interns/internships-in-france">https://www.airbus.com/en/careers/students-and-graduates/interns/internships-in-france</a>	Different opportunities with different requirements
<b>Deutsches Elektronen-Synchrotron DESY</b>	Research center for fundamental science especially known for its large-scale particle accelerators and photon-science facilities	Germany, Hamburg	<a href="https://www.desy.de/karriere/praktikum/index_ger.html">https://www.desy.de/karriere/praktikum/index_ger.html</a>	Application must be submitted 8-10 months in advance
<b>GSI Helmholtzzentrum für Schwerionenforschung GmbH</b>	Research laboratory that operates particle accelerators to study nuclear and atomic physics, heavy-ion collisions, and applications such as materials research and medical physics	Germany, Darmstadt	<a href="https://www.gsi.de/jobskarriere/angebote_fuer_schuelerinnen/praktikum">https://www.gsi.de/jobskarriere/angebote_fuer_schuelerinnen/praktikum</a>	N/A
<b>German Research Centre for Geosciences (GFZ)</b>	Research institut for Earth and geosciences	Germany, Potsdam	<a href="https://www.gfz.de/en/career/internship-and-voluntary-social-year">https://www.gfz.de/en/career/internship-and-voluntary-social-year</a>	Contact the relevant researcher working in the interested area directly to request an internship

<b>Max Planck Institute for Gravitational Physics (Albert Einstein Institute)</b>	Research institute dedicated to gravitational physics	Germany, Hannover	<a href="https://www.aei.mpg.de/student-internships">https://www.aei.mpg.de/student-internships</a>	N/A
<b>Max Planck Institute for Extraterrestrial Physics</b>	Research institute that studies the physics of the universe, focusing on areas such as astrophysics	Germany, Garching	<a href="https://www.mpe.mpg.de/261588/for_students">https://www.mpe.mpg.de/261588/for_students</a>	Contact <a href="mailto:mpe@mpe.mpg.de">mpe@mpe.mpg.de</a> for internship applications
<b>Max Planck Institute for Plasma Physics</b>	Research institute dedicated to studying plasma physics	Germany, Garching	<a href="https://www.ipp.mpg.de/17941/werkstudent">https://www.ipp.mpg.de/17941/werkstudent</a>	N/A
<b>Max Planck Institut für Quantenoptik</b>	Research institute specializing in quantum optics, laser physics, ultracold atoms, quantum information, and fundamental quantum science	Germany, Garching	<a href="https://www.mpq.mpg.de/4018688/students">https://www.mpq.mpg.de/4018688/students</a>	Contact the respective academic department or research group directly if you are interested
<b>Max Planck Institute for Chemical Energy Conversion</b>	Research institute dedicated to understanding and developing chemical processes related to energy conversion, including catalyst, electrochemistry, and molecular mechanisms of energy transformations	Germany, Mülheim an der Ruhr	<a href="https://www.cec.mpg.de/en/career/internships">https://www.cec.mpg.de/en/career/internships</a>	N/A
<b>Rhode &amp; Schwarz</b>	Technology company	Germany, Munich	<a href="https://www.rohde-schwarz.com/de/karriere/studierende/studierende_253005.html">https://www.rohde-schwarz.com/de/karriere/studierende/studierende_253005.html</a>	Internship duration: maximum of 3 months;  Apply at least 3 months before
<b>European Southern Observatory (ESO)</b>	Research organization for ground-based astronomy	Germany, Garching	<a href="https://recruitment.eso.org/">https://recruitment.eso.org/</a>	Different opportunities with different requirements
<b>Institute of Software Technology (DLR)</b>	Research center for aerospace	Germany, Cologne	<a href="https://www.dlr.de/en/sc/careers-education/information-for-students">https://www.dlr.de/en/sc/careers-education/information-for-students</a>	N/A
<b>SCHOTT</b>	Technology company specializing in glass and glass ceramic materials	Germany, Mainz	<a href="https://www.schott.com/en-gb/careers/entry-levels/students?selected=ac93593826744014a2cd8664ae3d9151">https://www.schott.com/en-gb/careers/entry-levels/students?selected=ac93593826744014a2cd8664ae3d9151</a>	Internship duration: minimum of 3 months;  Very good English language knowledge;  Above average grades;  Different opportunities with different requirements
<b>Fraunhofer Gesellschaft</b>	Research organization with more than 70 institutes specializing in science, engineering, technology and applied mathematics.	Germany (Various Locations)	<a href="https://www.fraunhofer.de/de/jobs-und-karriere/studierende.html">https://www.fraunhofer.de/de/jobs-und-karriere/studierende.html</a>	N/A
<b>Konkoly Observatory</b>	Astronomical research institute that studies stellar astrophysics	Hungary, Budapest	<a href="https://konkoly.hu/">https://konkoly.hu/</a>	Internships within the Erasmus+ framework;  Contact individual faculty members ( <a href="https://konkoly.hu/en/staff-members">https://konkoly.hu/en/staff-members</a> ) or specific research group ( <a href="https://konkoly.hu/en/research-groups">https://konkoly.hu/en/research-groups</a> ) you are interested in directly
<b>Consorzio RFX</b>	Research institute that focuses on geosciences	Italy, Padova	<a href="https://www.igi.cnr.it/formazione/erasmus-scuole-e-tirocini/">https://www.igi.cnr.it/formazione/erasmus-scuole-e-tirocini/</a>	Internship duration: maximum of 6 months;  Applications mostly for curricular internships of master students;  Internship within the Erasmus+ framework

<b>University of Modena and Reggio Emilia (UNIMORE)</b>	Public university offering internships for the department of Physics, Informatics and Mathematics (FIM)	Italy, Modena	<a href="https://www.unimore.it/it">https://www.unimore.it/it</a>	Internship within the Erasmus-framework
<b>ASML</b>	Company that designs and manufactures advances lithography machines	Netherlands, Veldhoven	<a href="https://www.asml.com/en/careers/students-new-graduates/netherlands/internships">https://www.asml.com/en/careers/students-new-graduates/netherlands/internships</a>	Paid internship;  Good communication skills in English (Verbal and written)
<b>NIKHEF</b>	National Institute for Subatomic Physics	Netherlands, Amsterdam	<a href="https://www.nikhef.nl/stages-en-afstuderen/">https://www.nikhef.nl/stages-en-afstuderen/</a>	Applicants must be enrolled in a Masters program
<b>International Iberian Nontechnical Laboratory</b>	Research laboratory dedicated to nano science and nanotechnology	Portugal, Braga	<a href="https://www.careers.inl.int/academic-opportunities">https://www.careers.inl.int/academic-opportunities</a>	You must first find and contact an INL researcher whose work matches your interests; only if they agree to supervise you the internship procedure can begin
<b>Plasma Physics and Nuclear Fusion Institute (IPFN)</b>	Research institute that conducts research in plasma physics, nuclear fusion, energy systems, and related technologies	Portugal, Lisboa	<a href="https://www.ipfn.tecnico.ulisboa.pt/contact-us">https://www.ipfn.tecnico.ulisboa.pt/contact-us</a>	Internship within the Erasmus-framework
<b>Institute of Geophysics, Polish Academy of Sciences (IG PAN)</b>	Research institute focusing on geophysical sciences	Poland, Warsaw	<a href="https://www.igf.edu.pl/en/career/praktyki-i-staze-naukowe-en/">https://www.igf.edu.pl/en/career/praktyki-i-staze-naukowe-en/</a>	N/A
<b>CERN</b>	Center for scientific research	Switzerland, Geneva	<a href="https://www.smartrecruiters.com/CERN/744000085340719-short-term-internship-2026">https://www.smartrecruiters.com/CERN/744000085340719-short-term-internship-2026</a>	Good working proficiency in English and/or French;  Internship duration: 1-6 months;  Paid internship
<b>International Business Machines Corporation - IBM Research</b>	IBM Research is the global research arm of IBM, developing cutting-edge technologies in AI, quantum computing, and data science	Switzerland, Zurich	<a href="https://www.ibm.com/careers/internships">https://www.ibm.com/careers/internships</a>	Different opportunities with different requirements
<b>Center for Energy and Environmental Sciences (PSI)</b>	Research center for natural and engineering sciences	Switzerland, Villigen	<a href="https://www.psi.ch/en/cee/semester-project-topics">https://www.psi.ch/en/cee/semester-project-topics</a>	N/A
<b>Institute of Photonic Sciences (ICFO)</b>	Research institute specializing in photonics, quantum technologies , nanotechnology, and optical sciences,...	Spain, Barcelona	<a href="https://jobs.icfo.eu/">https://jobs.icfo.eu/</a>	Internships within the Erasmus+ framework
<b>Instituto de Astrofísica de Canarias</b>	Astronomy research institutes, conducting research in astrophysics, cosmology, solar physics and astronomical instrumentation	Spain, Canary Islands, Tenerife	<a href="https://www.iac.es/en/postgraduate-training/internships">https://www.iac.es/en/postgraduate-training/internships</a>	Internships within the Erasmus+ framework
<b>Instituto de Astrofísica de Andalucía (IAA-CSIC)</b>	Research institute dedicated to astrophysics	Spain, Granada	<a href="https://www.iaa.csic.es/oficina-internacional/">https://www.iaa.csic.es/oficina-internacional/</a>	Contact the relevant researcher working in the interested area directly to request an internship
<b>KTH Plasma Physics &amp; Fusion Group</b>	Technical University	Sweden, Stockholm	<a href="https://www.kth.se/en/studies/exchange/internship-1.559346?utm_source=en-ingang&amp;utm_medium=email&amp;utm_campaign=en-ingang">https://www.kth.se/en/studies/exchange/internship-1.559346?utm_source=en-ingang&amp;utm_medium=email&amp;utm_campaign=en-ingang</a>	Contact the department for internship applications

<b>Institute of Physics Belgrade</b>	Research institute focused on fundamental and applied physics	Serbia, Belgrade	<a href="https://www.ipb.ac.rs/en/education/">https://www.ipb.ac.rs/en/education/</a>	Internships accepted within the Erasmus+ framework;  Overview of the research activities and available internship areas can be found on the website: <a href="https://www.ipb.ac.rs/en/home-en/">https://www.ipb.ac.rs/en/home-en/</a>
<b>Siemens UK</b>	Technology and engineering company	United Kingdom (Various Locations)	<a href="https://www.siemens.com/uk/en/company/jobs/search-careers/internships.html">https://www.siemens.com/uk/en/company/jobs/search-careers/internships.html</a>	N/A
<b>The European Space Agency (ESA)</b>	Intergovernmental organization that coordinates Europe's space exploration and research activities	Various Locations	<a href="https://www.esa.int/About_Us/Careers_at_ESA/Student_Internships2">https://www.esa.int/About_Us/Careers_at_ESA/Student_Internships2</a>	Students preferably in their final or second-to-last year of a university course at Masters level;  Internship duration: between three and six months;  Paid internship
<b>Siemens</b>	Technology and engineering company	Various Locations	<a href="https://www.siemens.com/uk/en/company/jobs/search-careers/internships.html">https://www.siemens.com/uk/en/company/jobs/search-careers/internships.html</a>	Different opportunities with different requirements
<b>European Molecular Biology Laboratory (EMBL)</b>	Research institute specializing in molecular and life-science research	Various Locations	<a href="https://www.embl.org/about/info/undergraduates/">https://www.embl.org/about/info/undergraduates/</a>	N/A
<b>Infineon Technologies Group</b>	Company that develops microchips and technologies	Various Locations	<a href="https://www.infineon.com/careers/students-graduates/students">https://www.infineon.com/careers/students-graduates/students</a>	Different opportunities with different environment
<b>ABB</b>	Technology company that develops advances solutions in electrification, robotics, automation, and power systems	Various Locations	<a href="https://careers.abb/global/en/students">https://careers.abb/global/en/students</a>	Internship duration: minimum of 2 months to maximum of 2 years;  Different opportunities with different requirements
