IMPORTANT NOTES

1. Course Language

Non-Greek speaking students are welcome to select Greek-taught courses. In these cases, the course instructor will provide study materials in English. The course assessment for Erasmus students will also be held in English.

2. Course Descriptions

The Course Descriptions attached in this file refer to the course as taught to Greek students. There might be slight differences in the the content or the exact assessment requirements for Erasmus students. Erasmus students should contact the course instructors to be fully informed.

3. Course Selection Deadline

Incoming Erasmus students may add new courses to their LAs (LA-during) no later than 3 weeks after the start of the semester. After the 3rd week has passed, no new Erasmus students will be accepted into the courses.
