

Hope this e-mail finds you well.

I am Prof. Sultan Tarawneh dean of Faculty of Engineering of Mu'tah University, Jordan.

Based on the further opening calls for Erasmus +(CBHE, ICM and Jean Monnet), we would like to have the pleasure in initiating collaboration on joint inter institutional agreements and to expand signed memorandum of understandings between our institutions.

We will be more than happy to welcome any potential opportunity on these subjects.

Please visit our website for more information <https://www.mutah.edu.jo/>.

Looking forward to hearing from you. Please do not hesitate to contact us for any further information.
